

IKF SPRINT SHIFTER COMPETITION LICENSE APPLICATION

1. To compete in IKF insured Sprint Shifter Class races, without restriction, you must have a Sprint Shifter License. Minimum age for this license is 10 years old.

2. Until your Sprint Shifter license is issued, you must start at the rear of all Heats, Semi-Mains, and Mains, remembering that you are under scrutiny by the Race Officials who must attest, in writing, to your ability to operate a Sprint Shifter Class kart safely.

3. To obtain a Sprint Shifter License you must be an IKF Member:

A. Experienced racers may complete Section A and submit it to the IKF office with a \$10 processing fee. Keep a copy to use while your application is processed. Upon confirmation by IKF of your application information, you will be sent a Sprint Shifter license.

B. New racers must have Section B filled out as you successfully complete your races. When you have the three required Race Director signatures submit it to the IKF office with a \$10 processing fee to obtain a Sprint Shifter license. Keep a copy to use while your application is processed.
