

# GOING TO THE 2006 I.K.F. GRAND NATIONALS?

You will be required to participate in three (3) IKF Regional races, since the previous year's Grand National, in order to be eligible to participate in the current year's Grand National. Not three classes at one race.

EXCEPTION: Road Race. In Road Race, you must participate in three (3) I.K.F. Regional Road Races since last year's Road Race Grand Nationals. You will also be required to show your current I.K.F. Membership Card/Qualified Road Race License or I.K.F. Shifter Kart License, or I.K.F. Sprint Card.

For the Sprint, Speedway, Speedway Pavement, and Shifter Grand Nationals, you may combine your three (3) participation credits (punches) from any of the aforementioned divisions as long as you have three (3).

If there is not a sufficient number of I.K.F. Regional races scheduled within 200 miles of your residence to allow you to meet the three (3) punch requirement, you

may apply for a waiver.

The waiver and waiver fee must be received at the I.K.F. Office no later than 30 days prior to the start of the event. The applicant must be a paid IKF member in good standing no later than May 1st of the year in which the Grand National waiver is applied for. A waiver fee of \$150.00 must accompany the waiver application. Only one waiver fee is required regardless of the number of Grand National waivers requested in that calendar year. *List all Grand National events for which you are requesting a waiver.* If the waiver request is denied, the waiver fee will be refunded.

The I.K.F. Office will provide each Grand National host club/promoter with a list of members eligible to compete at each Grand National as well as a waiver list. If an entrant is not on either list the entrant is not eligible to participate in that Grand National event.
