is in apparent good health and physically able to participate in the strenuous activities of karting at sea level and at the altitudes up to 7,000 feet with such activities further stressed by exposure to conditions of humidity and temperatures. Further, it is also stated that the above named minor is not subject to fainting, loss of balance, loss of muscular coordination, and in general is free of other physical ailments that could be aggravated by the stress of driving kart competition events and thereby placing himself, competitors, spectators, and others in attendance in jeopardy of injury. Further, pursuant to the best interests of the above named minor, competitors, spectators, and others in attendance at kart competition events, there is no intent to conceal a possible physical condition when such revelation would be ample cause for the International Kart Federation to withhold the issuing of membership, license, permit, or in any way ratify the participation of said minor in karting events sanctioned by the Federation.
